There is no drinking in all the wide world of hygienic so valuable as the introduction of this fine table water. It is a perfect table water. It is a perfect table water. It is a perfect table water.

It is not common liability to the air-diffusion of its germ, we require this almost indubitably from water directly, or from milk, which has been treated by polluted water. Fine water means practically the addition of both typhoid fever and cholera. Our safety always is to drink a pure Mineral Water only.
